DIRECTOR'S REPORT:

1. The Monday Senior Meal Program is still going well at the center. Overall, over 100 seniors have benefited from the program. We are currently serving 60 seniors each week.
2. I am pleased with our membership this year. We currently have 261 members and have collected \$2,545 in membership dues. 53 members are non-residents. We have added 41 more members from last year.
3. We have been active and our participation is picking back up. We are starting to have more volunteer support. Our sponsor support is starting to pick back up as well. Last month, 11 sponsors helped us by either: coming and giving a presentation, sponsoring a lunch, food, or craft.
4. Landscaping will be done next week. A new memory tree will be planted and a new low-maintenance fountain will be installed thanks to the Craft Fair monies.
5. We are in discussions regarding a possible PT bus driver.
6. The senior center will be used again as a polling location on Tuesday, August 2nd.

DIRECTOR'S REPORT CON'T:

6. The senior center will be used again as a polling location on Tuesday, August 2nd.

Therefore, the center will be closed.

7. For June and July, we are collecting shoes for Paw Patrol Dayton, a volunteer-run cat and dog rescue. They work with an organization that pays them for each pair of shoes and then the shoes are sent to Third World Countries. We have collected a large amount of shoes so far.

8. Discussion from last Oversight: a. We hired a PT rental worker. Her name is Alexandra Heath.

She worked two grad party rentals last month.

We need to continue to get the word out about us available for rentals. Two community groups will be using the center in September: Pretzel Festival Queen's Court Luncheon & GARS.

b. Still continuing to have issues with internet/Spectrum.

Shawn from IT is having me keep a list of internet issues and I've had to call Spectrum a number of times with internet issues and to ping my modem. On one of the last calls with Spectrum, they finally told me that my internet speed is so low at 35 that they don't even offer that slow of a speed anymore. The lowest speed they start out at now is 200, so they're saying that's my problem and they have plans that I could get at least a speed of 200 for cheaper than what I'm paying now. The city is helping me since we have a Business Enterprise acct.

OVERSIGHT COMMITTEE MEMBER REPORTS:

None.

BUSINESS:

None.

ADJOURNMENT:

There being no further business, Mr. Cross motioned to adjourn the meeting.

The meeting adjourned at 5:02 p.m.

Respectfully Submitted,

Chenoa Erisman- Senior Center Director
