Greetings from the Germantown Senior Center!
Senior Centers new phone number (937)853.8900

We are partnering with AARP to provide tax preparation appointments again. Due to Covid-19 restrictions, clients will not be permitted to sit at the table while the taxes are being completed. Appointments will be on Mondays from 9:30 am-12:30 pm starting on February 7th.

Please CALL the Center for more detailed information.

The Senior Center is asking for volunteers! Perhaps you would like to get out of the house to lend a helping hand or assist with a week-end rental. Many of you have special talents and skills that could be shared with others while having some fun at the same time! If you are interested, stop by the Center or call the office.

We are still in need of a part-time bus driver. The successful candidate will be responsible for transport of seniors to and from the Senior Center and on field trips. Applications are available at City Hall or online at www.Germantown.oh.us or emailed to knovak@germantown.oh.us.

BE SAFE THIS WINTER
Cold Weather Safety Tips

Heating is the second leading cause of U.S. home fires, deaths & injuries. Space heaters account for approximately 40% of these fires-most being placed too close to combustibles-three feet minimum away from anything that may burn is generally required- follow manufacturer's guidelines. Have a portable fire extinguisher and know how to use it correctly
 Carbon Monoxide-THE SILENT KILLER- odorless, colorless, tasteless gas that comes from improperly burning fuels such as propane, natural gas, gasoline, wood, coal, etc. Heating and cooking appliances are among potential sources of CO. Every home that burns fuel should have a working Carbon Monoxide detector.
