

**Germantown Police Dept.
Officer Recognition**

The Germantown Police Department Mission Statement states that we are committed to “Highly effective law enforcement, and outstanding service.” Citizen cooperation and input are essential if the department is to succeed in reaching our goal of providing outstanding service.

It would be beneficial if we could be provided information where a member of our department has provided outstanding law enforcement service that you believe meets the criteria of our Mission Statement. It would be of great help to the Police Department Administration if you would take time to fill out the requested information on the next page, and either email the form, or drop it off at the Germantown Police Department between the hours of 8:00 AM and 4:00 PM, weekdays.

If there is insufficient space for your recommendation, please feel free to attach whatever documentation is needed to provide your response.

Thank you for contributing to our understanding of the aspects of our performance that are meeting the needs of our community!

Sincerely,
Chief Roy McGill
